M2014-001	Region M SWMD	DO	ADM	\$116,000.00	Mr. Jim Honey	The FY14 District Operations grant will be used to implement the Contract for Administrative Services between the District and the Harry S Truman Coordinating Council, which includes salaries for four (4) part-time personnel, associated audit expenses and public notice fees. The grant will enable the District to continue efforts to minimize waste disposed in Missouri landfills. The objective will be to continue educating the public on the importance of waste reduction, reuse, recycling, composting, household hazardous waste, e-waste, recycling markets, recycling grant programs and other trends throughout the District and Missouri. The project will focus on programs assisting those involved in the recycling industry, facilitating establishment of contacts with generators, collectors and processors of recyclable materials and help establish sustainable markets. The project will also administer district grant applications and other grant writing assistance.
